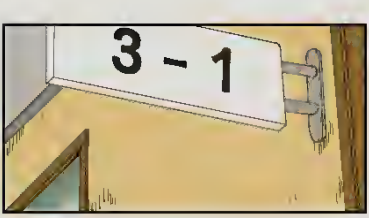
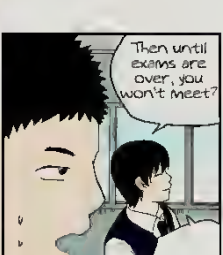
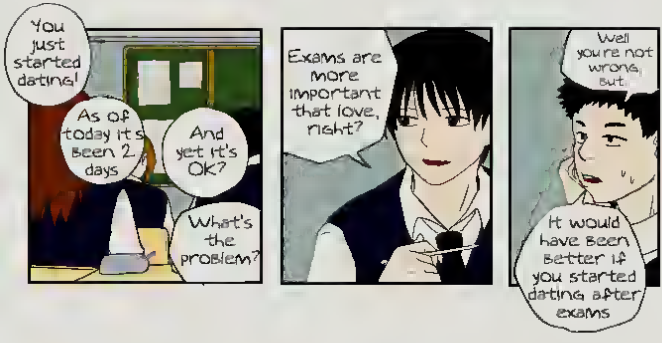
Tsuji phew...

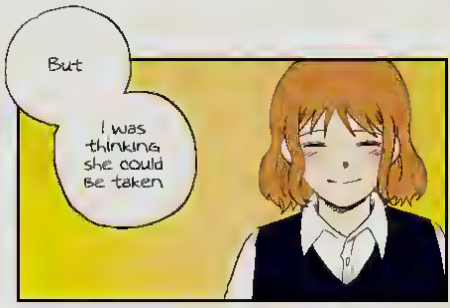






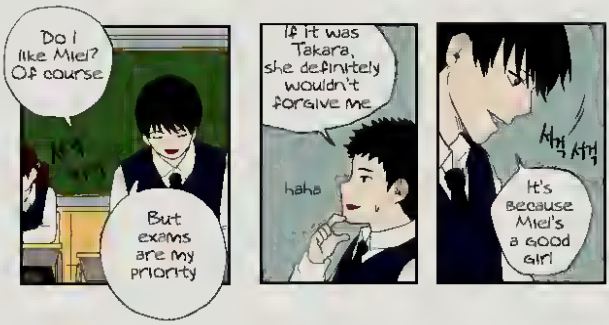
You just started dating!
As of today it's been 2 days
And yet it's OK?
What's the problem?
Exams are more important that love, right?
Well you're not wrong, but
It would have been better if you started dating after exams

...

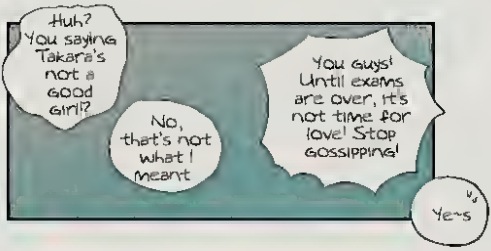


But
I was thinking she could be taken

So self-centered



Do I like Miel? Of course
But exams are my priority
If it was Takara, she definitely wouldn't forgive me
haha
It's because Miel's a good girl



Huh? You saying Takara's not a good girl?
No, that's not what I meant
You guys! Until exams are over, it's not time for love! Stop gossipping!
Yes

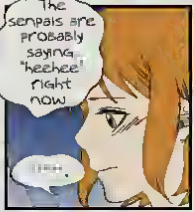
Hya~!!

23 days until the test!!
Yeah
The days passed by quickly~

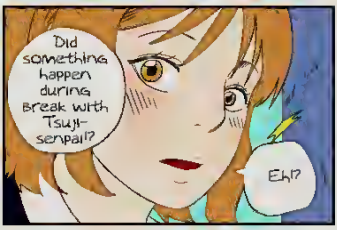


The senpais are probably saying "heehee" right now
.....

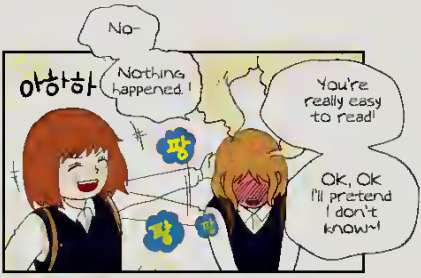
Sora-senpai says it, but Tsuji-senpai has a good head~
Did you know?
꺄아!

Ah~~!!
깍!

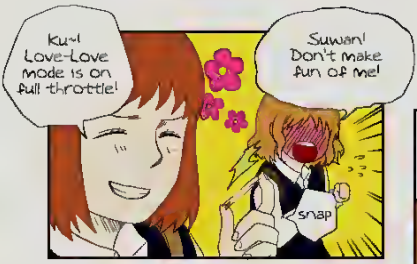
Mie!~?
You've been strange since before!



Did something happen during break with Tsuji-senpai!?
Eh!?



No-
아항하
Nothing happened.!
You're really easy to read!
팡
팡
Ok, Ok I'll pretend I don't know~!



Ku~! Love-Love mode is on full throttle!
Suwan! Don't make fun of me!
snap

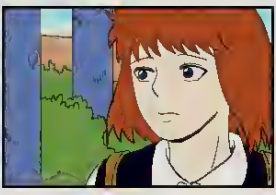
By the way, I haven't seen that person in a while
Did you contact him?

Hm...

Well.

I don't know!
Ah!

Did you fight again?
That's why...



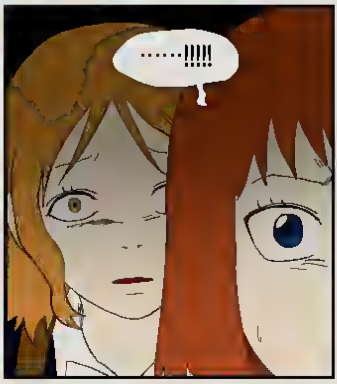
He's probably doing fine

I'm home-

I'm home
Mom, I'm hungry

.....?

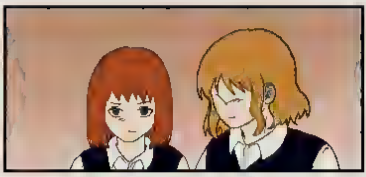
Miel..!

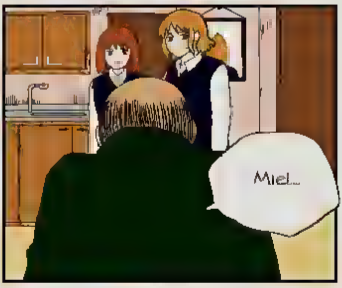


.....!!!!!

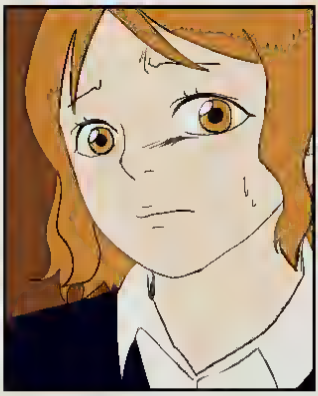
You two sit here.

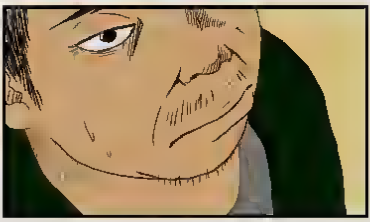
Let's talk.

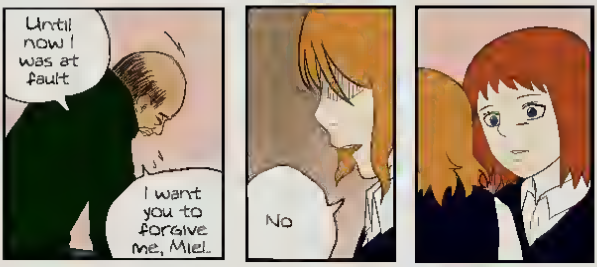




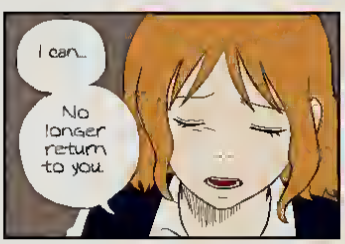
Let's return home together



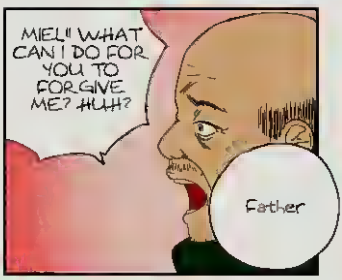




Until now I was at fault
I want you to forgive me, Mie!
No

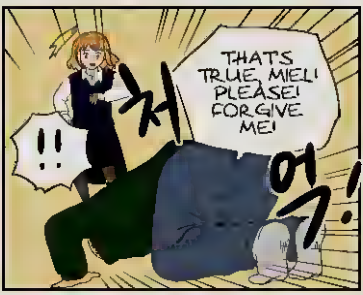


I can
No longer return to you

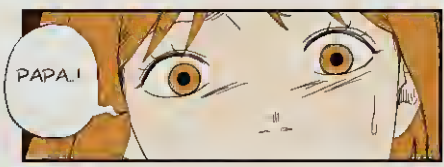


MIEL! WHAT CAN I DO FOR YOU TO FORGIVE ME? HUH?
Father

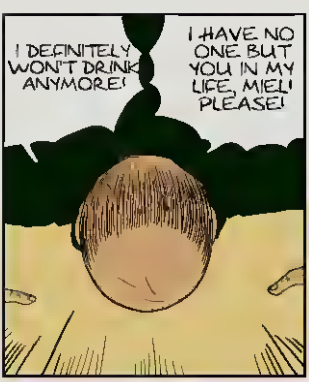
Won't you stop already?
She already refused...



!!
THAT'S TRUE, MIEL! PLEASE! FORGIVE ME!
억!



PAPA..!

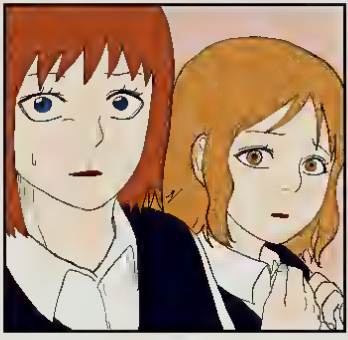


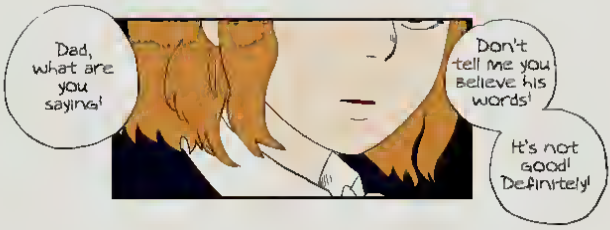
I DEFINITELY WON'T DRINK ANYMORE!
I HAVE NO ONE BUT YOU IN MY LIFE, MIEL! PLEASE!

Father!
Please raise your head!
No!
Until Miel forgives me, I won't move!

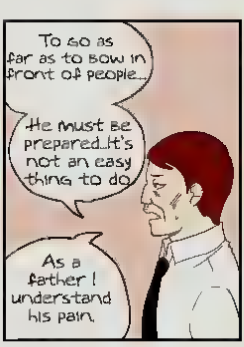
Dad, what should we do?
Oji-san...!
....
.....

Miel-chan
Won't you forgive your father?





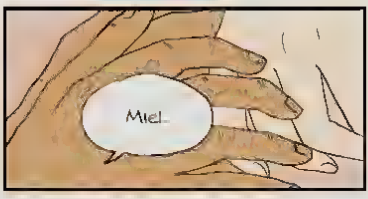
Dad, what are you saying!
Don't tell me you believe his words!
It's not good! Definitely!



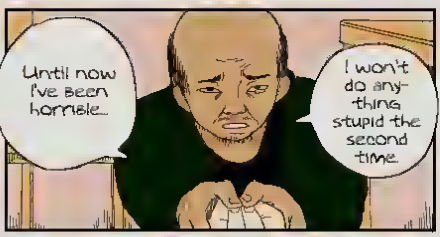
To go as far as to bow in front of people...
He must be prepared...It's not an easy thing to do.
As a father I understand his pain.

He's surely speaking earnestly.
Miel-chan

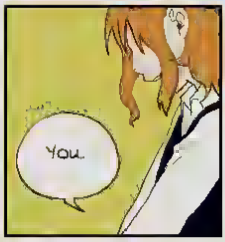
Let's try believing in your father just one more time...



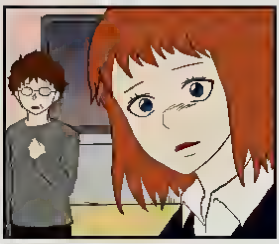
Miel...

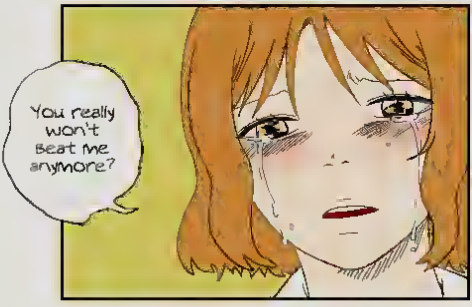


Until now I've been horrible...
I won't do anything stupid the second time.



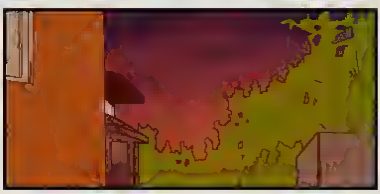
You.

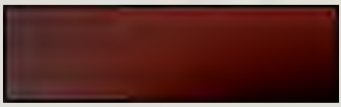




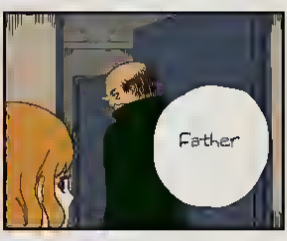
You really won't beat me anymore?

Of course.. Of course..
I promise..!

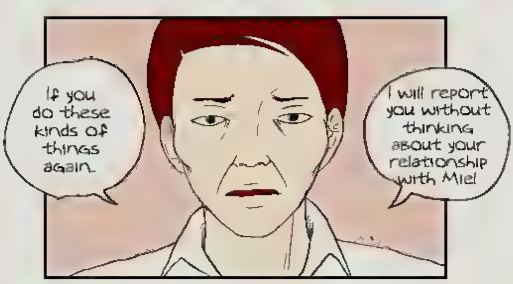




If something troubles you, say it, ok?
Yes
I troubled you.
Please excuse me.

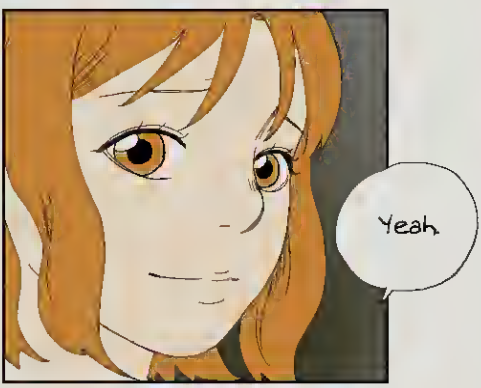


Father

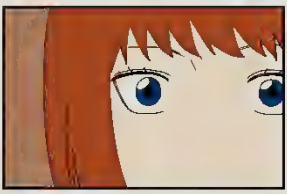


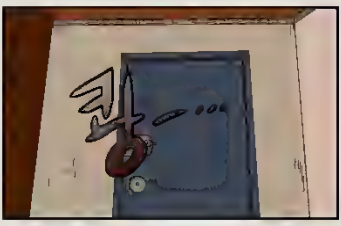
If you do these kinds of things again.
I will report you without thinking about your relationship with Mie!

Mail me, okay?

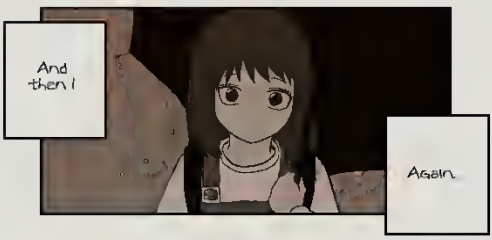


Yeah.





Miel didn't mail me.



I had that vivid dream I can't remember
